The following information is provided to assist grantees in complying with timesheet requirements. Grant-funded CJD projects that have budgets with personnel expenses and/or volunteers used as in-kind match must comply with governing directives. Grantees may have timesheets which already include the required information listed below in the "Requirements" section. If not, grantees need to revise their forms to include the required information. A sample timesheet and a blank timesheet may be downloaded from the link below. The use of these specific forms is not required; however this format contains the required information for personnel timesheets. Questions regarding these forms should be directed to CJD by email, telephone, or regular mail.

REQUIREMENTS:

- Timesheets for each grant-funded employee must provide brief descriptions of the daily grant activities performed. If an employee works on multiple grants, activities must be recorded separately for each grant.
- Timesheets for each grant-funded employee must contain all activities and all hours worked.
- Timesheets must be prepared at least monthly and they must coincide with one or more pay periods.
- Timesheets must be signed by the employee and his/her supervisor.

Note: These requirements also apply to volunteers used as in-kind match on the grant.
